## **What we do:**

HAS provides a statewide free support and advocacy for people wishing to raise complaints about homelessness support and accommodation services that are funded by the Government. We do not provide legal advice or accommodation but we can offer advice about out how to make complaints about a service and we may be able to advocate on your behalf.

**We are a confidential and independent service.**

**We are open 9am-5pm, Monday to Friday**

You can access our service by dropping into our office. To ensure there is no delay in seeing a worker call to make an appointment or have a chat on 1800 066 256.

We defend the rights of residents, tenants, service users and clients of homelessness support and accommodation services. Our aim is to work with you to find a solution that best suits you. We will not act without your permission.
